

Outline of the End-Semester Term-paper:

1. Introduction: This section will essentially deal with the pre-COVID scenario of oil production, prices and policy (400 -500 word)- **Shaun**
2. Literature Survey:
 - Impact on the Global Economy (500 words)- **Shaun**
 - India's oil, gas and energy situation (Both pre-COVID and during COVID) (500 words)- **Sayantana**
 - Determination of oil price fluctuations (500-600 word)- **Sayantana**
 - Oil prices and future markets (300-400 word)-**Sathya**
 - How global demands will be affected in the post-COVID era (400 words)- **Sathya**
3. What should the national governments do with respect to the Oil and Gas industry (500-700 words)-**Pritam**

Once we're done with all the drafting and come up with the final draft of this.
The citations and reference will fulfil the requirement of suggested length.
